

KENTUCKY DEPARTMENT OF EDUCATION

STAFF NOTE

Review Item:

Kentucky Board of Education 2008 legislative agenda

History/Background:

Existing Policy. The General Assembly will meet in January 2008 for its regular 60-day legislative session. Attached is a list of possible legislative initiatives for the Board's consideration. The list includes proposals endorsed by the Board for the 2007 Legislative Session that were not adopted, which staff recommends pursuing, and legislative issues identified by staff.

Policy Issues:

- What feedback does the KBE have for staff concerning the proposed 2008 legislative agenda?
- Are there additional legislative changes the KBE would like to consider at the December meeting?

Impact on Getting to Proficiency:

One of the guiding principles in formulating the legislative proposals is the KBE's goal of reaching proficiency by 2014.
